ARE YOU READY FOR BECOMING ALMA MATER AMBASSADOR

Dear Parent,

Part of being a parent at Alma Mater is the support and partnership that you can offer to the various initiatives that we run. We would be delighted to have you volunteer / support in any form. Please do fill up this form as per your interest.

Social Inclusion

Alma Mater has been implementing the Right to Education Act since 2014-15. This was done by embracing the spirit of inclusion wherein each and every child has a right to education. We have been running an 'inclusive' programme and not an after school or remedial programme.

To give these children a world class, life shaping path, is what Alma Mater aims to do. At full capacity, we will serve 27 children. To ensure that we can continue to offer a life changing experience and serve them for the full 15 years of their education, we are seeking well wishers like yourself to make this journey sustainable.

Please tick here if you wish to open your hearts to support a child's education at Alma Mater.
